VANA MAHOTSTAVAM - Plantation Programme

on 27th August, 2021

“The sustainable development can only achieve through extensive plantation on mother earth. Hence it is urgent responsibility of every human being to engage him/her self in planting a few saplings and to protect them until survive”, Prof. M.L.S.Deva Kumar, Principal of JNTUACEK stressed. As part of annual ‘VANA

MAHOTSAVAM’ programme, the Hostel employees, staff and students joined in mass plantation programme in front of Girls Hostel in JNTUACE, Kalikiri campus on 27th August, 2021. The programme started with opening remarks of the Principal and formal “prakrithi puja” by Prof.C.Subhas Vice Principal, followed

by plantation programme by all staff, hostel employees and NSS student volunteers. During his speech Prof. Deva Kumar appreciated the hostel team and NSS team for taking steps for planting trees of best species in front of Girls Hostel. He advised the students to take care of their survival and growth, so that by

the time they complete the course, the plants shall become in to grown up trees. The plants will give fruits for healthier living of human being and gives abundant oxyzen, which is very essential for survival of man on the earth, He motivated and quoted, even if own children fail to lookafter the parents, plants gives great support for livelihood of people. During the programme students demonstrated need of the plantation and displayed placards messages like, 'EACH ONE PLANT ONE', 'TREES ON GLOBAL WARMING OFF'. During speech be vice principal, Prof.C.Subhas

said that, Trees control climate by moderating the effects of sun, rain and wind. They also lower the air temperature and reduce the heat intensity of the greenhouse effect by maintaining low levels of carbon dioxide.

Trees have supported and sustained life throughout our existence. They have a wide range of practical and commercial uses. Even just a view of trees can help to reduce stress and anxiety. Trees are

important for physical and mental wellness.

The programme is coordinated by hostel employees under leadership of Dr.K.Aparna Officer Incharge of Hostels, Mr.C.Ramesh Sr.Asst, Mr.M.D.Nagabhusanam Supt., and NSS Team under piercing head of Dr.N.Saritha NSS Programme Officer, Mr. Rajendra Prasad Faculty Member. Dr.V.Nagaprasad Naidu HMED, Mr.Murali Mohan Rao Asst. Registrar, Mr. Murali Krishna

Supt., Deputy Wardens, NSS volunteers and hostel employees are among who participated.

Mr. Venkata Ramana Reddy Local Farmer and Mr. Ganapathi Mess Vendor who aided the programme were also present and they promised further to provide drip irrigation for 100% survival of the saplings. The programme ended with NSS clap, the rich tradition of NSS volunteers and refreshments.
